

# MIRRORS

## ◇◇◇◇◇◇◇◇◇◇ Traveling Light ◇◇◇◇◇◇◇◇◇◇

Some objects absorb light. Some reflect it. Other objects let light pass through them. Look at the list of objects below. Which objects absorb light, reflect light, or let light pass through? If you need help, find these objects in your home and shine a flashlight on each one. Sort the objects in the columns below!

- a plastic bottle
- a spoon
- a glass
- keys
- mirror
- water
- a plate
- your hand
- a cardboard box

Objects that Absorbed Light	Objects that Light Passed Through	Objects that Reflected Light
